

EXHIBIT 54

APPENDIX P

Appendix P

Cisco Asserted Help String, pp 104-105 Highlighted Entries not already Addressed in Appendix O	Comments
ARP table	Standard terms; see RFC 1180
Show command for diagnostic	Common computer science terms; (Help string does not appear in EOS 4.15.5M)
Display dot1q tunnel ports	Standard terms; see IEEE 802.1q spec. (Help string does not appear in EOS 4.15.5M)
Show flow control information	Standard terms; see RFC 793 (Help string does not appear in EOS 4.15.5M)
Show the physical inventory	Common computer science terms; (Help string does not appear in EOS 4.15.5M)
IP information	Standard terms; see RFC 1918, 1466
Monitoring different system events	Common computer science terms; (Help string does not appear in EOS 4.15.5M)
shows radius information	Standard terms; see RFCs 3579, 2865 (Help string does not appear in EOS 4.15.5M)
shows tacacs+ server statistics	Standard terms; see RFC 2975; (Help string does not appear in EOS 4.15.5M)
System hardware and software status	Common computer science terms; (Help string does not appear in EOS 4.15.5M)
VTP VLAN status	VTP is a Cisco protocol VLANs in IEEE 802.1q. Help string does not appear in EOS 4.15.5M)
Loopback interface	Standard terms; see RFC 7404
Ethernet Channel of interfaces	Standard terms; see IEEE 802.1q spec. (Help string does not appear in EOS 4.15.5M)
Catalyst Vlans	Catalyst is a Cisco product! VLANs in IEEE 802.1q. (Does not appear in EOS 4.15.5M)
Show interface capabilities information	Common computer science terms
Show interface counters	Common computer science terms
Show interface description	Common computer science terms
Show interface flowcontrol information	Standard terms; see RFC 2217
Show interface line status	Standard terms; see RFC 4706
Show interface switchport information	Standard terms; see specification IEEE 802.1Q, table of contents and throughout
Show interface transceiver	Standard terms; see specification IEEE 802.1Q, table of contents and throughout
Output modifiers	Common computer science terms
Database summary	Common computer science terms
Interface information	Common computer science terms
Neighbor list	Standard terms; see RFC 6327
